| a video signature (out of a file)

Customer document

Requirements and set up :

Good to know : To use the Quai des notaires advanced signature, the following requirements listed below must be filled :

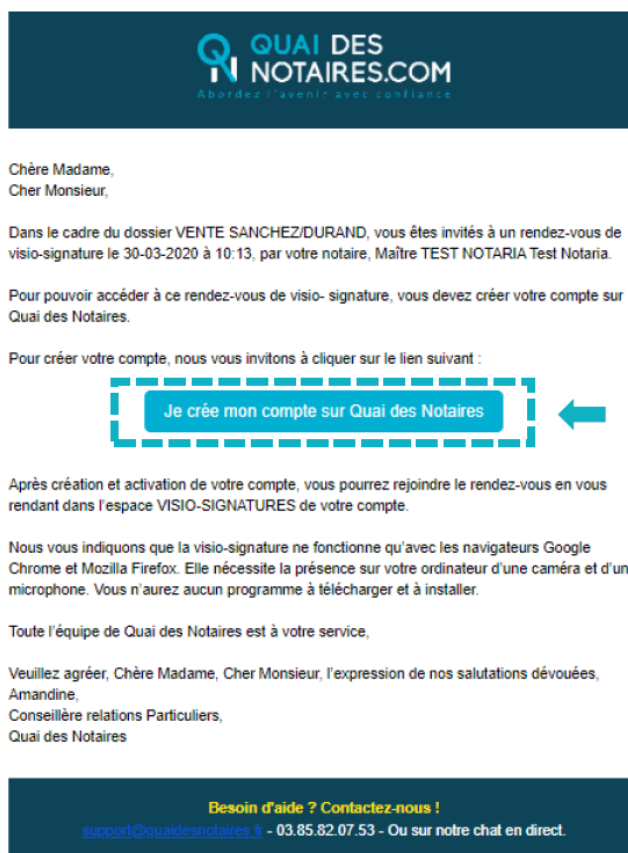

- A computer Windows or MAC, with a webcam
- Web browser by default : Google Chrome
- Good network connexion

In order to use the Quai des notaires' video signature on your computer, you will have to follow the process below :

FIRST STEP : CREATE AN ACCOUNT ON QUAI DES NOTAIRES

1 When your notary will have created an appointment for the video signature, you will receive by e-mail an invitation for “[un rendez-vous de visio signature](#)”.

In order to make the process of the signature ceremony easier, we advise you to create your account directly after having received the link by e-mail and by clicking on this link.

The screenshot shows an email invitation from Quai des Notaires. At the top is the company logo and tagline. The body of the email is in French, addressing the recipient as 'Chère Madame, Cher Monsieur'. It informs them of a video signature appointment on 30-03-2020 at 10:13. A key instruction is to create an account on Quai des Notaires to access the appointment. A button labeled 'Je crée mon compte sur Quai des Notaires' is highlighted with a dashed red border and a red arrow pointing to it. Below the button, it states that after account creation, the user can join the appointment in the 'VISIO-SIGNATURES' space. It also notes that the service works with Google Chrome and Mozilla Firefox, requiring a camera and microphone. The email is signed by Amandine, a specialist in individual relations. At the bottom, there is a dark blue footer with contact information: 'Besoin d'aide ? Contactez-nous ! support@quaidenotaires.fr - 03.85.82.07.53 - Ou sur notre chat en direct.'

- 2 Create your account on Quai des Notaires by clicking on the button

Je crée mon compte sur Quai des Notaires

You will be automatically directed on a window for the creation of your account. Your name, surname and e-mail address are automatically filled. You are asked to create a password.

For more security, your password must be composed of 8 characters minimum with at least 1 uppercase, 1 lowercase, 1 figure and 1 symbol such as : ? ! * % @ £ \$

When your password has been created, check the box related to your agreement of the general use conditions after having read them, and [click on " Valider "](#)

- 3 A confirmation e-mail has been sent to you. In order to activate your account, [click on](#)

Je m'identifie

the button that you will find in the e-mail received.

Pour continuer votre inscription, suivez les instructions de l'email que vous venez de recevoir.

Before the video signature appointment : The video signature created by Quai des Notaires was developed with new and secured technologies, in accordance with the requirements given by the French upper council of notary profession.

For a better use, we strongly recommend you to use the following web browsers : Google Chrome. You don't need to upload or set up any program.

SECOND STEP : THE SIGNATURE WITH YOUR NOTARY

1

The day of the appointment concerning the video signature, please connect you on your Quai des Notaires account in filling your e-mail address and your password of 8 characters.
